

**REMARKS**

By this amendment, claims 4-7 and 20, 21 have been amended to overcome the rejections under 35 USC §112, second paragraph. Other claims have been amended to place them in condition for allowance. Applicant believes that claim 8, currently rejected under 35 USC §102(b) over Muta should be allowed since it is a *consisting of* claim. Muta certainly requires various other structural features including at least an upstanding support member 12, magnetized bar(s) 22, bubble member with vertical slot, etc.
